NOTICE

Subject: Shortlisting for Smart India Hackathon 2024 under Student Innovation.

We are pleased to announce that our institution, Ashoka Institute of Technology and Management, will be participating in the upcoming **Smart India Hackathon 2024**. This national-level hackathon provides a platform for students to showcase their innovative ideas and problem-solving skills.

To participate in the Smart India Hackathon, we will be conducting a shortlisting process to select the most talented and dedicated students to represent our institution. Selected teams will represent our institution in this prestigious event. The team winning the **SIH 2024** will be rewarded by a prize money of **Rupees 100000 by Government of India**. The details of the shortlisting process are as follows:

1. Eligibility:

- All currently enrolled students of Engineering and Pharmacy are eligible to participate.
- Students from all branches and departments are encouraged to apply.

2. Registration:

- Interested students must register for the **Smart India Hackathon 2024** through the google form. <https://forms.gle/KbVCChnbGuQnqUGeA>
- The registration deadline is **10.09.2024**.

3. Team Formation:

- Students can participate in teams of up to **six members**.
- Members from different branches of the same institute are encouraged to form a team.
- Each team must have at least **one female team member**.

4. Idea Submission:

- Once registered, teams should prepare a brief proposal of their innovative idea (Software/Hardware) for the internal hackathon.
- The themes are **Smart Automation, Fitness & Sports, Heritage & Culture, Medtech/Biotech/Healthtech, Agriculture, Foodtech & Rural Development, Smart Vehicles, Transportation & Logistics, Clean & Green Technology, Renewable/ Sustainable Energy, Blockchain & Cybersecurity, Smart Education and Miscellaneous.**
- All the further details should be emailed to innovation@ashokainstitute.com by **10.09.2024**.

5. Shortlisting:

- A selection committee will review all submitted ideas.
- Shortlisted teams will be announced on **15.09.2024**.

6. Preparation:

- Shortlisted teams will receive further guidance on how to prepare for the Smart India Hackathon competition.

Let's explore Intellectual Property Rights together and foster a culture of innovation!
