Student Activity Centre

Student activities make a positive impact on the environment of any Institution as these are dedicated to helping students develop their personality, perception, learning and attitude. There are many ways for students to get involved on campus so, in Ashoka Institute of Technology & Management, we have formed the Student Activity Centre (SAC) which serves as a connection point for the students. The main aim of SAC is to complement the academic experience of our students with extra-curricular programs that promote social and personal development. Our members advise and assist our student groups in planning various programs. This cell adds a set of valuable learning experiences for students & faculty. These centers can cover a wide range of interests and activities, such as sports, arts, cultural activities, community service, academic interests, hobbies, and more.

The purpose of the **Student Activity Center** is to enrich the student experience by offering opportunities for social interaction, skill development, leadership experience, and the exploration of new interests. They often organize events, workshops, competitions, outings, and other activities to engage members and contribute to the overall campus community.

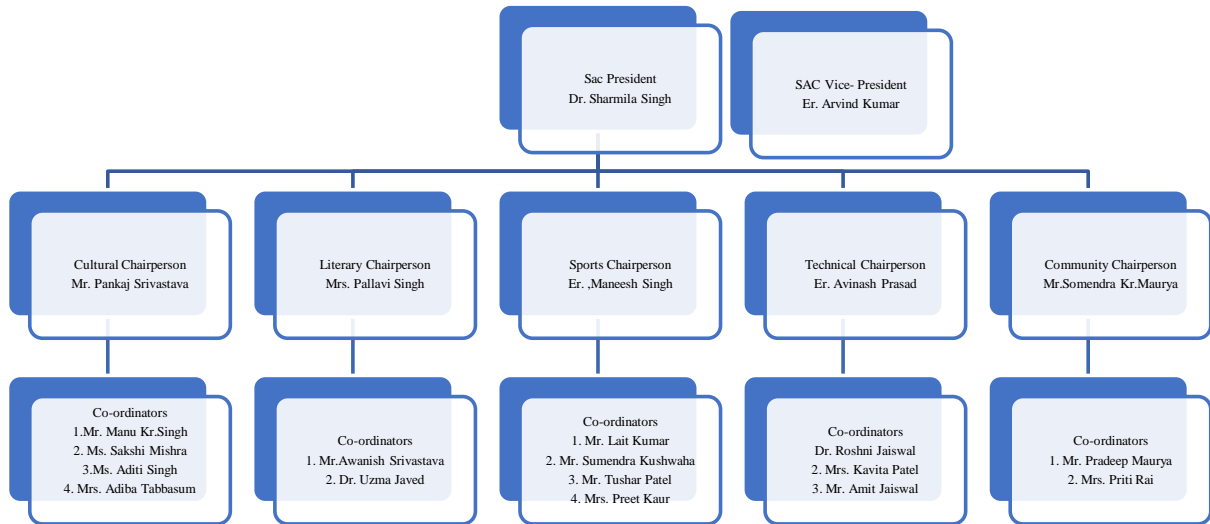

STRUCTURE OF SAC

The activities of SAC

The activities of SAC are organized under five wings, each wing focusing on one major aspect of campus life:

Activity Perform by Cultural Wing

Cultural

- To organize the major cultural event of the year – the 6 day long annual festival “ABHYUDAY.
- To conduct Inter-Hall competitions in Music and Dance, Video photography and editing etc.
- To organise the cultural events like “DANCING, SINGING, FASHION SHOWS, MIME, BAND and many more competitions throughout the years.
- In this club Dance activities has performed dances, focusing on creating, adapting and linking a range of dance actions. These were inspired by a variety of subjects, including some traditional, social and historical dances.
- The club organizes different shows on different themes, competitions, Inspirational and awareness plays and skits to highlight the emerging talent of the young generation which will enhance their confidence.

Fine-arts:

- This club enables students to reach their maximum creative potential. It provides a platform where students can be able to display their innovative ideas.
- This club includes various constructive Art & Craft activities that involve cooperation teamwork as well as problem-solving abilities.
- This will help in persuading activities artist & creative interacts with club members. Crafts that require drying require waiting! This is a great lesson for students to demonstrate self-control and patience.
- Things might not go exactly as we hoped! Crafts are a great way to promote flexibility in their career.
- To organise the fine-arts events like “Rangoli”, **Best Out of Waste, Wall Painting** and many more competitions for the creativity enhancement of students.

Activity Perform by Cultural Wing

Literary& Media:

- To promote and encourage extracurricular activities of students in the areas of creative writing, poetry, quizzes, extempore, debates etc.
- To publish newsletter twice in a year that serve as forums for views on a variety of issues, mostly related to campus life besides reporting student activities in diverse fields.
- To conduct Inter-Hall competitions in literary.

ASHOKA

INSTITUTE OF TECHNOLOGY & MANAGEMENT, VARANASI

- To conduct Induction Programme for fresh students.

Activity Perform by Sports Wing

Sports Wing:

- The club has been created with the motive of developing the spirit of sportsmanship. It motivates and encourages students to take part in various state and National level sports.
- This club will develop team spirit, punctuality and time management skills in our students.
- This also helps in providing a future planning approach and setting their goals. Sports club allow youth to build self-esteem as they learn to trust in their own abilities, receive encouragement and praise from coaches and parents, and learn to accept constructive criticism.
- They learn leadership, teamwork, problem-solving, responsibility, self-discipline, and a sense of initiative.
- To administer games and sports activities on a day to day basis, and to organize the Annual Sports Meet.
- To conduct Inter-Hall tournaments.
- To organize coaching of students in various disciplines of games and sports.
- To organize Seminars, Workshop, training camps etc. on sports, games & related areas.

Activity Perform by Technical Wing

Technical Society:

- To promote and encourage the interest of the students in developing working devices and physical models and to conduct the Model Exhibition.
- To promote and encourage computer-based activities including creative software, graphics-based models, games and other challenging applications, and to organize competitions in this area.
- To promote and encourage technical innovation and entrepreneurship among students by organizing seminars, training workshops and awarding prizes.
- To conduct Inter-Hall competitions in technical events.
- To arrange lectures by eminent speakers on emerging areas of science and technology.
- To promote the process of opening student chapters of professional bodies in the Institute.
- To induct fresh UG and PG students into technical activities in a friendly manner.

Activity Perform by Community Services Wing

- The main goal of the society is to educate the community about oral health.
- Committee should try to hold at least one event and one meeting per month.
- To promote and advertise the mission of the event in your area.
- To conduct large event & competitions to raise awareness.
