**Prepared by: [Sajjad Ali], President IIC**

**Date: October 26, 2023**

**Venue: Ashoka Institute**

**Introduction:**

Day 3 of Abhyuday'23 marked a culmination of innovation and creativity as the Departmental Technical and Nontechnical Projects showcase took center stage. Held at Ashoka Institute, the event promised a day of discovery and inspiration, featuring groundbreaking projects from various departments.

### Event Highlights:

**Departmental Displays:** The event kicked off with vibrant departmental displays showcasing the ingenuity and talent of students across diverse fields. Each department presented their projects with enthusiasm, highlighting their innovative solutions and creative endeavors.

**Innovative Technical Solutions:** Technical projects stole the spotlight with their innovative solutions to real-world problems. From cutting-edge technology to sustainable engineering solutions, students demonstrated their prowess in harnessing technical skills to address contemporary challenges.

**Creative Nontechnical Projects:** In addition to technical innovations, the event also celebrated creativity in nontechnical projects. Projects such as Dwadash Jyotirlinga, Rangmanch, and others

showcased the artistic talents and cultural richness of the participants, adding a unique dimension to the showcase.

One of the highlights of the event was the presentation of Dwadash Jyotirlinga, where students creatively depicted the twelve sacred Jyotirlingas through various mediums such as art, sculpture, and multimedia installations. The exhibit provided a spiritual and cultural experience for attendees.

**Rangmanch:** Another noteworthy attraction was Rangmanch, a platform for students to showcase their theatrical talents through captivating performances. From thought-provoking dramas to lively skits, Rangmanch offered a blend of entertainment and social commentary, leaving the audience spellbound.

**Conclusion:**

Day 3 of Abhyuday'23 was a resounding success, bringing together innovation, creativity, and talent under one roof. The Departmental Technical and Nontechnical Projects showcase provided a
